23rd White Privilege Conference

MARCH 9 - 12, 2022
CHARLOTTE, NC

The WPC provides a challenging, collaborative, and comprehensive experience. We strive to empower and equip individuals to work for equity and justice through self and social transformations.

For the past 22 years, the WPC has examined challenging concepts of privilege and oppression and offers solutions and team-building strategies to work towards a more equitable world. WPC is a conference designed to examine issues of privilege beyond skin color. WPC is open to everyone and invites diverse perspectives to provide a comprehensive look at issues of privilege including race, gender, sexuality, class, disability, etc.

The conference is unique in its ability to bring together students, youth, teachers, university faculty, activists, social workers and counselors, healthcare workers, and members of both the spiritual community and corporate arena. Everyone is welcome!
